Access to Perse information

PersePost (www.persepost.co.uk)

This is a mailbox based, online collection of specific publications from school to parents and pupils. These publications are targeted to mailboxes, with users receiving a notification email to their preferred email address.

The system is an important part of the School's communication systems and is used to publish all newsletters, reports and parents' evenings details.

The Perse Portal is an online site which now acts as the base for our school and department general information/policies for current parents and pupils. This area also contains the school calendar (showing the most up to date calendar details). Access to the portal is available to:

General Principles of Fire Safety

The following guidelines must be followed to prevent a fire occurring on site and to ensure the safety of pupils in the event of emergency evacuation.

- Pupils must familiarise themselves with the fire escape routes from the classrooms in which they are taught, to the fire assembly point (a plan showing this route is displayed in each room).
- Pupils must familiarise themselves with the fire evacuation procedure (see below).
- Smoking is not allowed on or around the school site.
- Fire doors are kept closed (i.e. not propped open with bags or wedges).
- Fire escapes routes and exit doors are kept clear and free from obstruction (including pupil bags).
- Fire fighting equipment (fire extinguishers, blankets) is free from obstruction.

What to do if you discover a fire

- Raise the alarm by operating the nearest break glass point – these are usually found adjacent to fire exits.
- Follow the evacuation procedure.
- Please note fire fighting equipment is only to be used by trained members of staff.

What to do if the fire alarms are activated (evacuation procedure)

- Leave the building by the nearest safe exit.
- Do not stop to collect belongings.
- Go to the fire assembly point and line up with your form.
- Wait quietly for the roll call to be taken.
- Do not re-enter the buildings until instructed to do so.
