Upper School Rules 2020-21

This document covers usual school rules. There may be additional or amended requirements upon pupils during any period of Coronavirus restrictions. These will be clearly communicated to pupils, parents and staff whilst in place.

1) **Scope**

The Head's authority is exercised by the application of the School's Rules to all pupils at the School and at all times when a pupil is:

- in or at School;
- representing the School or wearing School uniform;
- travelling to or from School;
- on School-organised trips;
- associated with the School at any time.

This policy shall also apply to pupils at all times and places in circumstances where failing to apply this policy may:

- affect the health, safety or well-being of a member of the School community or a member of the public;
- have repercussions for the orderly running of the School; or
- bring the School into disrepute.

Staff and prefects exercise the Head's authority over pupils when carrying out their duties.

The Governors and the Head intend that the School Rules and the sanctions provided in them shall also, in appropriate circumstances, be capable of regulating the conduct of pupils when they are away from school premises, for example at weekends, half term and in the holidays, if in the opinion of the School the conduct concerned impacts or may impact upon the pupil's conduct at school, the reputation of the School or where the conduct in question affects or may affect the welfare of a member or members of the School community.

2) **Behaviour**

Members of the School are expected to be honest and to show good sense and good judgment at all times, by adhering to the School's values and following the **Code of Conduct**, which sets out the Fundamental Principles of the School's *policy on behaviour and discipline* and which is found in all classrooms and the School Planner. All should be aware of the School's *anti-drugs and substances policy, policy on alcohol, anti-bullying policy (pupils)* and *acceptable use of ICT policy for pupils*. Departmental rules and safety procedures must be observed.

3) **Obligations on Pupils**

There are various obligations that all members of the School are expected to fulfill.

Attendance

- All pupils are expected to attend all timetabled lessons and activities (including games) unless ill or injured and with a note from a parent/guardian or the School Nurse, or for reasons notified and agreed by the appropriate member of staff in advance.

The Perse School

Upper School Rules 2020-21

- A pupil in a School squad is expected to be available to play for a School team when selected and to take reasonable steps to ensure that any problem is communicated directly (i.e. face-to-face) and well in advance to the teacher in charge of that team.
- Pupils involved in ensembles, plays and other similar groups are expected to attend notified rehearsals and meetings; they should take reasonable steps to ensure that any problem is communicated directly (i.e. face-to-face) and well in advance to the teacher in charge.
- Pupils may not leave the site during the school day unless they have permission from a member of staff. One exception exists: Sixth Form pupils must attend registration, assemblies, tutorials and all timetabled lessons including games and enrichment. Registration

- All pupils should be in their Form Room for morning registration by 8.35 a.m. at the latest.
- If a pupil misses Form Registration for any reason it is their responsibility to use a biometric registration box (or alternative method if appropriate) as soon as they arrive at School.
- Pupils leaving or re-entering the site after morning registration and before the beginning of last lesson must register using the biometric registration box (or alternative method if appropriate) on departure or arrival.

Assembly

- All members of the School are expected to attend assembly unless required for an approved activity or to see their tutor.
- Parents who wish their son/daughter to be excused religious assemblies must write to the Head.

Sanctions

- Pupils given sanctions by members of staff for breaches of the Code of Conduct are expected to complete or serve that sanction at or by the time notified, unless permission for a deferral has been obtained in advance from the Deputy Head (Pupil development and welfare).
