- 8.5 In order not to disrupt teaching and learning across the School, residential trips should not usually taking place during week days in term time, unless permission has been granted by

⁵ Information on recommended vaccinations on the National Travel Health Network and Centre (NaTHNaC) <https://travelhealthpro.org.uk/countries>

the EVC. However, it is recognised that trips may occasionally leave before the end of term in order to secure lower flight prices or for other practical reasons – permission to leave before the end of term must be obtained from the EVC. The exception to this is exchange visits which occasionally occur in term time.

9 Planning and preparations

9.1 The Leader will:

- 9.1.1 undertake and complete the planning of and preparation for the Educational Visit;
- 9.1.2 where necessary and reasonable, undertake an exploratory visit to areas or in respect of activities involving significant hazard, or they should obtain reliable information concerning the nature of any hazards and means of avoiding or minimising risk;

- 9.1.4 undertake appropriate risk assessment(s) and complete a risk assessment form (see paragraph 10 of this policy);

- 9.1.9 liaise with the Emergency Contact (via the Home Contact if appropriate) to make contingency arrangements in the event of transport breakdown, other failure or in the event of a pupil having to be sent home;
- 9.1.10 report back to the EVC;
- 9.1.11 retain appropriate records following the Educational Visit.

10 Risk assessment

- 10.1 The School endeavours to take a proportionate and sensible approach to Educational Visits and the level of planning and preparation will be tailored in each case to the type of trip and the particular risks involved. Some Educational Visits may only require a little extra planning beyond the educational aspect of the trip, whilst others may need detailed planning and risk assessment and approval of the Head.
- 10.2 The School will ensure that those who are conducting the risk assessments have the necessary skills, status, competence and experience to do so.

- 10.3 The School adopts a common-sense and proportionate approach to health and safety on Educational Visits with a focus on real risks, not those which are trivial and / or fanciful.
- 10.4 An assessment of the risks involved in the activity and the appropriate steps required to counter them will be carried out for every Educational Visit. Risk assessments must be carried out in accordance with procedure 2.01 of the School's Health & Safety Manual and using the risk assessment section of the School's Educational Visit Approval and Planning template.
- 10.5 **Generic risk assessments:** If there is a generic risk assessment already in place for a specific type of trip or activity, the Leader may (where appropriate) review the generic risk assessment and check that it is still suitable.
- 10.6 **Specific risk assessments:** If there is no generic risk assessment for the activity, or if the visit involves one of the following factors (listed below) the Leader must carry out a specific written risk assessment for the Educational Visit:
- 10.6.1 activities requiring a higher level of risk management than is normal during routine activities;
 - 10.6.2 Adventure Activities;
 - 10.6.3 off-site activities that take place totally outside normal School hours including during School holiday period or during weekends;
 - 10.6.4 overnight and residential stays;
 - 10.6.5 visits outside the UK;
 - 10.6.6 for pupils with specific special educational needs / specific medical conditions which mean that they are at a higher risk, as directed by the Designated Safeguarding Lead / Deputy Designated Safeguarding Lead.
- 10.7 During any period where there are guidelines set out by UKHA or the DfE, a risk assessment will be undertaken to identify the measures needed to reduce the risks from any public health incidents including infectious diseases so far as is reasonably practicable.
- 10.8 If any risk is considered to be unacceptable by the Leader or EVC or Domestic Bursar or Head the Educational Visit shall not go ahead, or shall be terminated if already in progress.
- 10.9 When conducting a risk assessment, the following factors should be considered, notwithstanding any risk assessment that may be conducted or supplied by any external provider:
- 10.9.1 the type of activity;
 - 10.9.2 the age / competence / fitness / usual standard of behaviour of the pupils;
 - 10.9.3 any special educational / medical needs of any of the pupils;
 - 10.9.4 any impact of individual needs on the group as a whole;
 - 10.9.5 adult : pupil ratios;
 - 10.9.6 the competence / experience / qualifications of the adults;
 - 10.9.7 modes of transport, journey routes and location(s) of visits;
 - 10.9.8 emergency procedures;

10.9.9 public health advice, such as hygiene and ventilation requirements; and

10.9.10 any other relevant factor in relation to the specific circumstances of the Educational Visit.

10.10 **Dynamic risk assessments:** regardless of the type of the visit, the Leader must be prepared to re-evaluate and / or reassess the risks and mitigate any risks where possible whilst the visit is taking place, taking into account of any relevant changes in circumstances or factors such as fatigue or changes in the weather.

10.11 **Contingency plan:** the Leader should also consider and assess a Contingency Plan in addition to the main activity, in case the main activity is undeliverable. In some cases this may be as simple as returning to base, in other cases where there is a high probability that the main activity may become undeliverable (e.g. if weather conditions require this) it may be prudent to assess an alternative activity.

10.12 If the risks become unacceptable the Educational Visit / activity shall be terminated and / or a Contingency Plan carried out instead.

11 Charging

11.1 The School reserves the right to charge for Educational Visits, transport, accommodation, equipment and other associated costs. Such details will be provided to Parents prior to the Educational Visit.

11.2 If payment is not received in advance (or as required) or School fees are outstanding, the School reserves the right to exclude pupils from the Educational Visit.

11.3 The School's preferred method of payment for Educational Visits is via ParentPay. Leaders / tutors should not accept cheques but should instead ask the pupil or parent to take them direct to the bursary who will issue a receipt. It is the School's policy not to accept cash as payment for Educational Visits.

11.4 Parents will also be informed of the arrangements for sending a pupil home early. Parents will normally be required to meet the costs of such arrangements should this be required for reasons of health and safety or breach of this policy. The School will not be obliged to refund the cost of the remainder of the Educational Visit.

12 Consent

12.1 Written parental consent is generally not required for routine Educational Visits which are a normal part of the pupil's education at the School and take place during the normal School day.

12.2 **General consent:** The School obtains general written consent from Parents for all Educational Visits that do not involve an overnight stay, high risk or adventure activities, or travel abroad when the pupil enters the School. This covers the whole time the pupil is at the School.

12.3 This general consent includes:

12.3.1 any visit which involves nursery age children;⁶

12.3.2 non-routine off-site activities and sporting fixtures which extend beyond the normal start and finish of the school day.

⁶ Written consent for EYFS children is required.

- 12.4 The School obtains specific written consent from Parents for all Educational Visits which involve:
- 12.4.1 overseas travel; or
 - 12.4.2 an overnight stay; or
 - 12.4.3 some element of high risk or adventure activity.
- 12.5 The School provides sufficient information to Parents either via a specific communication and / or termly calendar about each visit to enable them to opt out of specific visits should they wish to do so and of any extra safety measures required.
- 12.6 If consent is refused by one or both Parents, the School reserves the right to refuse to allow the pupil to take part in the Educational Visit.

13 Insurance

- 13.1 The School has the following insurances in place:
- 13.1.1 Personal accident insurance;
 - 13.1.2 Travel insurance;
 - 13.1.3 Employers liability insurance;
 - 13.1.4 Public and products liability insurance; and
 - 13.1.5 Professional liability insurance.
- 13.2 There shall be appropriate insurance cover in place for each Educational Visit.
- 13.3 The EVC and Leader should have an awareness of any requirements set by the School's insurers when planning an Educational Visit.
- 13.4 Parents should be informed of the insurance arrangements made by the School in clear terms. They should be told which insurances are arranged by the School and which are arranged and payable by Parents. Parents should be told of any insurances that have not been verified, for example, host parents abroad.
- 13.5 The School will consider available insurance cover for Educational Visits in order to understand the potential impact on cover of public health incidents as these are likely to constitute a significant factor in determining whether any visit can go ahead. Where the School arranges cover, it will be clear with parents about the limitations to available insurance cover in these circumstances.
- 13.6 The School cannot accept liability for the failure of insurance for reasons beyond the control of the School or where the School has made reasonable enquiries and exercised reasonable care.

14 Supervision and ratios

- 14.1 Supervision of pupils can be direct, indirect or remote but must always be 24 hours a day.
- 14.2 There must be an adequate ratio of adults to supervise pupils throughout Educational Visits. This ratio should derive from the risk assessment(s) undertaken and the risk factors identified. The School will apply best practice when setting the appropriate supervision ratio for each Educational Visit.

- 14.3 Where an Accompanying Adult is also a Parent of a pupil on the Educational Visit, the School should take into account the risk of them being distracted by the needs of their own child rather than looking to the needs of the group. That Parent cannot be the Leader or Assistant Leader and will not usually count in the ratio for the group as a whole, unless the School can manage the risk of conflict by other means e.g. by not allocating that Parent a role with direct responsibility for their own child.
- 14.4 Where possible, there should be provision within the ratio for a different Accompanying Adult, in the event of an emergency or incident, to:
- 14.4.1 deal with any emergency or incident;
 - 14.4.2 seek emergency and / or medical assistance;
 - 14.4.3 supervise the remainder of the party.
- 14.5 For local low risk visits in normal circumstances and subject to any special considerations the following ratios *may* be appropriate:

Class / Year	Applicable ratio
Nursery	1:3
Reception	1:5
Years one and two	1:8
Year three and four	1:10
Years five and six	1:12
Years seven to eleven	1:15
Sixth Form	1:20

- 14.6 The ratio should become closer the more complex or hazardous the activity.
- 14.7 Unless otherwise agreed by the EVC, for overnight stays, residential visits or visits outside of the UK, at least two of the adults will be Employees.
- 14.8 Unless otherwise agreed by the EVC mixed sex groups should have at least one male and one female Accompanying Adult.
- 14.9 The Leader will ensure that each pupil who is not under direct supervision is accounted for. This means the Leader will know the identity, whereabouts and expected time and place of return of the pupil.
- 14.10 Where pupils are supervised remotely, the pupils must have the aptitude for, and be appropriately trained, briefed and experienced for the activity involved. Pupils must however be able to contact the Leader or an Accompanying Adult as appropriate in the event of an emergency.

15 **Child protection**

- 15.1 The School's *Safeguarding and Child Protection Policy* and procedures will apply at all times during Educational Visits.

- 15.2 A designated member of the School's safeguarding team (Designated Safeguarding Lead (DSL) / Deputy Designated Safeguarding Lead (DDSL)) will be on duty and available (both in and out of term) for the Trip Leader or Home Contact to contact should safeguarding concerns relating to pupils arise during an Educational Visit.
- 15.3 Any incident amounting to any report, allegation or suspicion of abuse or safeguarding concerns even if they are considered not to meet the harm threshold (so called low level concerns) which occur whilst on the Educational Visit will be dealt with appropriately at the time and will be reported to the School's Designated Safeguarding Lead (**DSL**) and / or to the Head (as appropriate) in accordance with the School's *Safeguarding and Child Protection Policy* and procedures. The member of staff will then follow the instructions of the Designated Safeguarding Lead and / or Head.
- 15.4 If a child is in immediate danger or risk of harm anyone can make a referral to the relevant agency. Where an emergency referral is made, the DSL must be informed as soon as possible.

16 External Providers and Adventure Activities

- 16.1 The School will ensure that any External Provider has in place the appropriate safety standards and liability insurance.
- 16.2 **Adventure Activities:** the School will check that any External Provider providing Adventure Activities has the adequate standards of safety, competence and experience in the activities undertaken.
- 16.2.1 **LOtC:** Where possible, the School will use External Providers who hold a LOtC Badge (see <https://www.lotc.org.uk/lotc-accreditations/lotc-quality-badge/>).⁷
- 16.2.2 **AALS:** Where External Providers are required to have a licence to provide Licensed Activities (caving, climbing, trekking and water sports) the School will check that they either have a LOtC badge, or if not, ensure that they hold a current AALS [licence](#).
- 16.2.3 Where the External Provider does not hold a LOtC badge and / or AALS licence, the School will seek to check with the appropriate national governing bodies or association for the sport or activity concerned or other relevant federations or associations.⁸
- 16.2.4 Where no such body can be identified, the School will take other reasonable steps to ensure that any External Provider is the appropriate organisation to use.⁹ The steps required will depend on the nature of the activity and the level of risk involved, but will include checking:
- (a) their insurance;
 - (b) they meet legal requirements;
 - (c) their health and safety and emergency policies and / or risk assessments;
 - (d) staff competence;
 - (e) safeguarding arrangements;

⁷ If a provider holds a LOtC badge there is no need to seek any further assurances from the provider about the safety of provision as this has been externally accredited.

⁸ Other accreditation schemes provide reassurances about providers and reduce the need for further questioning include Adventuremark and National Governing Body centre approval schemes.

⁹ Further guidance can also be found on the Outdoor Education Advisers Panel (OEAP) website see <https://oeapng.info/>

(f) any sub-contracting arrangements they may have in place.

- 16.3 The School's Educational Visits procedures are in line with the recommendations from BS8848 and the Perse Exploration Society receives Young Explorer's Trust approval prior to undertaking any major summer expedition. Leaders will retain a record of their due diligence investigations, and if in doubt, should consult with the EVC.
- 16.4 Prior to commencement of any Adventure Activity the Leader should be fully satisfied with arrangements for health and safety.
- 16.5 In the event that they are not satisfied they will consider whether it is appropriate to abort the activity altogether or whether it is safe and / or appropriate to undertake a Contingency Plan.
- 16.6 There should be a clear agreement in place with External Providers about respective roles and responsibilities. In any event, the School retains responsibility for the well-being of pupils and during the activity at all times.
- 16.7 Pupils' views should always be taken into account. Pupils who are reluctant to undertake a particular activity should never be forced to participate in that activity.

17 **Transport**

- 17.1 Pupils will be properly supervised at all times whilst on school-arranged transport.
- 17.2 The Leader, as part of the planning and risk assessment of an Educational Visit shall consider the transport requirements, including contingency planning for cancellation, delay or breakdown of the transport arrangements, safety and supervision arrangements.
- 17.3 The Leader will ensure that the mode of transport is appropriate for the Educational Visit and that there is adequate insurance in place. Where required, the School will also ensure that the mode of transport is accessible for all participants e.g. wheelchair users.

18 **Trips abroad and off-site accommodation**

- 18.1 The School understands that trips abroad and those which involve pupils being accommodated off-site can have extra risks and may need a higher level of risk assessment.
- 18.2 **Package tours:** Where the School is purchasing packages from travel agents, tour operators or other providers the School will ensure that they are ABTA or ATOL bonded, as appropriate.
- 18.3 If the School is self-organising a "package"¹⁰ which includes a combination of services including transport, accommodation or tourist services and which is not exempt, the EVC will ensure that the School complies with the relevant provisions of the Package Travel and Linked Travel Arrangements Regulations 2018.
- 18.4 **Off-site accommodation:** The School will ensure that all off-site accommodation provided for use by pupils on Educational Visits is satisfactory and, where possible, has been assessed by the School before use.
- 18.5 Where this is not possible, for example on tours and expeditions arranged through external tour operators or organisations, the School will obtain appropriate assurances that the accommodation provided is of a satisfactory standard, for example by seeking references from other schools.

¹⁰ As defined by the Package Travel and Linked Travel Arrangements Regulations 2018.

- 18.6 **BS8848: 2014:** If the trip involves significant risks such as challenging terrain, going to remote places or extreme climates, the School will use the British Standard BS8848: 2014 for adventurous activities outside the UK as the basis for planning the visit and to inform its risk assessments and, where possible, ensure that any External Provider also follows this standard.
- 18.7 **Response to public health incidents and / or other outbreaks or pandemics:** The School understands that any outbreaks or pandemics are likely to affect its Educational Visits programme. The School will consult up to date guidance in relation to Educational Visits when planning and, where necessary, before commencing an Educational Visit, particularly where it involves an overnight stay or visit abroad¹¹.
- 18.8 **Testing, vaccination and quarantine arrangements:** The Leader will check the vaccination and quarantine arrangements for the destination and for arrivals from that destination to the UK, well in advance of the trip and ensure that the Head/EVC and Parents are aware of the current requirements and the risks of those requirements changing once the trip has commenced. The School will ensure that appropriate contingency plans are in place. However, parents will be responsible for the additional costs arising as a result of any contingencies, for example relating to testing and quarantine.
- 18.9 **Foreign and Commonwealth Office:** The Leader will consult the FCO guidance in advance of any trip abroad to ensure that s/he is aware of any up to date safety and security issues, entry requirements, travel warnings and health requirements.¹²

19 Exchange visits

19.1 Private arrangements

- 19.1.1 The School does not organise exchange visits and does not arrange Homestays, either in the UK or abroad. In relation to care and accommodation not arranged by the School, or where the School does not have the power to terminate, the School will make it clear to Parents that any arrangements made by them will be a private arrangement with the host family and that the Parents will be entirely responsible for ensuring that they are satisfied with the arrangements.

20 First aid and medical arrangements

- 20.1 The Leader will have regard to the School's first aid and administration of medicine policies and procedures and will ensure that there is adequate first aid provision on each Educational Visit.
- 20.2 The minimum requirements for Educational Visits are:
- 20.2.1 a suitably stocked first aid container;
 - 20.2.2 at least one appointed person to take charge of first aid arrangements or to have a First Aider to attend the visit as appropriate;
 - 20.2.3 in Early Years settings at least one person who has a current paediatric first aid certificate must attend the Educational Visit;
 - 20.2.4 the Leader will:

¹¹ See <https://www.gov.uk/government/publications/emergency-planning-and-response-for-education-childcare-and-childrens-social-care-settings> for more information.

¹² See <https://www.gov.uk/foreign-travel-advice> and <https://www.gov.uk/guidance/safer-adventure-travel-and-volunteering-overseas> and

- (a) check that parental consent has been obtained for the treatment and / or administration of medicines for pupils with health / medical needs attending the Educational Visit;
- (b) ensure Parents of pupils with health / medical needs attending the Educational Visit have provided the appropriate medicines for administration and that these are held appropriately during the Educational Visit.

21 Mobile phones/pupils' property

21.1 Mobile phones can be very useful in emergencies. However, there may be reasons why their use by pupils should be restricted on Educational Visits, for example:

- 21.1.1 mobile phones can act as distractions, preventing pupils from making full use of the educational opportunities offered by the Educational Visit;
- 21.1.2 carrying such phones can expose pupils to the risk of mugging and street violence;
- 21.1.3 phones may be damaged by cold or wet conditions; and
- 21.1.4 on residential trips there is a risk of inappropriate use of mobile phones in the evening. Collection of phones should be discussed as part of the trip planning.

21.2 The Leader and at least one other Accompanying Adult will carry a fully charged mobile phone at all times and will ensure that the Emergency Contact at the School has the relevant number(s). They will also ensure that all parents and guardians are provided with the relevant number(s).

22 Emergencies

22.1 The Leader should be fully conversant with the School's communications and emergency response plans for incidents which take place away from school and on Educational Visits. See the School's Critical Incident Plan for further details.

22.2 The Leader is responsible for ensuring that all members of the Educational Visit are aware of the action that they should take in the event of an emergency, particularly where there is a risk of death, personal injury, damage to property or involvement with the police.

22.3 In the event of an emergency all members of the group should:

- 22.3.1 remain calm;
- 22.3.2 assess the nature and extent of the emergency; and
- 22.3.3 take immediate action to safeguard themselves and other members of the group.

22.4 The Leader, Assistant Leader or Accompanying Adult (in the event that the Leader is unable to carry out this role) should:

- 22.4.1 summon emergency assistance and / or medical assistance and / or inform the police, if appropriate;
- 22.4.2 seek assistance from a First Aider, if appropriate;
- 22.4.3 if there are casualties ensure that they are accompanied and that the remainder of the group is adequately supervised;

- 22.4.4 seek to stabilise the situation and then contact the Emergency Contact for emergency assistance;
- 22.4.5 follow the instructions of the Emergency Contact and the terms of the School's emergency response plan.
- 22.5 The Leader (or Assistant Leader or Accompanying Adult if appropriate) will liaise with the Emergency Contact and will make arrangements to inform Parents of any accidents or injuries and first aid treatment¹³ affecting their child as soon as practicable.
- 22.6 The Leader should ensure that the incident is properly recorded and consider with the Emergency Contact whether the accident should be reported to any external agencies, including the police or the HSE pursuant to the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (SI 2013/1471) (**RIDDOR**).
- 22.7 Under no circumstances should anyone make a statement to the press or any admission.
- 22.8 Where a claim might be brought following theft or other loss, the local police must be informed.

23 Incidents involving the police

- 23.1 In the event of an incident occurring during an Educational Visit in which the pupil(s) become involved with the police the Leader should:
 - 23.1.1 inform the Home Contact immediately, or as soon as practicable and ask that the School's lawyers be notified so advice regarding the handling of the matter can be sought;
 - 23.1.2 inform the Parent(s) of the pupil(s) involved immediately, or as soon as practicable unless prevented from doing so by local police for legal reasons;
 - 23.1.3 if local police have asked that the Parents of the pupil(s) involved are not made aware of their child's involvement with the police, the Leader should do all that is reasonably required to satisfy himself / herself that the reason given is for legitimate legal reasons;
 - 23.1.4 if considered necessary, the School may make arrangements for legal representation for the pupil to be funded at the Parents' expense;
 - 23.1.5 instruct a senior member of staff on the Educational Visit to act as appropriate adult where necessary unless the Parents request otherwise.

24 Training

- 24.1 The School ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and other Accompanying Adults understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles.
- 24.2 The level and frequency of training depends on role of the individual member of staff.
- 24.3 The School maintains written records of all staff training.

¹³ Mandatory for EYFS see 3.50 of the Statutory framework for the early years foundation stage 2021
