THE PERSE
SCHOOL
CAMBRIDGE

3-18 Curriculum Overview

The Perse School provides a broad and balanced academic curriculum designed to instil a life-long love of learning, and set in the context of generous time for games, extra-curricular activities and opportunities for pupils to develop their social education. A strong focus is placed on high attainment and expectations; academic and extra-curricular *enriched* learning, wider reading and developing education in the round with students encouraged and assisted to make strong connections between all of the various strands to their learning. We aim to develop children's independence, encouraging them to become confident, resourceful, resilient and reflective learners.

Curriculum Aims

1. To provide a full-time education for pupils which gives them experience in linguistic, mathematical, scientific, technological, human and social, physical, and aesthetic and creative education.
2. To provide subject matter both appropriate and challenging for the ages, aptitudes and needs of all pupils.
3. To provide *all* pupils, including those with special needs and/or a disability, and/or special educational plans, with the opportunity to learn and make progress at all times.
4. To provide for pupils to acquire skills in speaking and listening, literacy and numeracy.
5. To provide personal, social, health and economic education, taking into account the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs, in line with the school's aims and ethos.
6. To provide appropriate Futures and progression guidance for pupils receiving secondary education.
7. To provide an enriching programme of activities appropriate to the needs of pupils above compulsory school age
8. To provide pupils with adequate preparation for the opportunities, responsibilities and experiences of adult life.

Full details of the curriculum can be found on the school website.
